Please see Tier Rate Center Attachment for Corresponding LATAs/DIDs.

1. **IP PORT Bandwidth Bursting:** While TANDEM is not in any way obligated to allow Customer IP PORTS to exceed the amount ordered, it may choose to do so in its sole discretion. If during the billing cycle, should Customer's "peak period" of usage of IP PORT's exceeds the number of IP PORT's ordered by Customer, then Customer will be billed for the total IP PORT's utilized.

MEASURED PER MINUTE PLAN: Customer can option to be billed for the number of DIDs ordered or ported multiplied by the applicable rate found in the table below on a Monthly Recurring Charges (MRC) (**RPM is Rate per Minute**):

Monthly accumulated minutes	RPM	DID
Min. 100,000 to 250,000	0.0040	\$0.75
250,001 to 1,000,000	0.0030	\$0.50
1,000,001 to 2,000,000	0.0025	\$0.25
2,000,001 +	0.0015	\$0.15

Local Number Porting: Customer may choose to Port existing DIDs from another Provider to TANDEM (commonly referred to as Local Number Portability or LNP) to be used with this Service. Numbers Ported to TANDEM will incur a surcharge for each number ported.

Number Porting Surcharge	MRC	NRC
DID LNP, Per Number Ported to TANDEM TRANSIT	As per rate schedule	\$10.00

2. **Number Migration Surcharge:** the option to migrate DIDs from TANDEM to an alternate provider is subject to TANDEM's agreements with its source. If the DIDs can be ported there may be charges that will be incurred by Customer and the amount of those charges will be determined on a case-by-case basis.

Change of Plans: Customer may Switch Rate plans at the beginning of each month. Customer agrees to pay any previous monthly charges incurred during any month that service reductions are requested. Customer must settle all past due balances before a rate plan reduction can be effective.

ICB PROCESS: Customer may request proposals on an Individual Case Basis for any volume not reflected in this RATE SHEET. Our Sales department can be reached via email: Sales@TandemTransit.com.
